General Title:

Managing & living with wildfires in Europe: Highlights on Integrated Wildfire Risk Management from FirEURisk & SILVANUS EU Horizon projects

Description

This document presents the agendas for two webinars co-organised by the FirEURisk and SILVANUS EU Horizons projects. The webinars focus on sharing the best practices for living and managing wildfires in Europe within the two projects. The discussions will be in English and conceptually accessible to a general audience, and oriented towards practitioners, researchers, and policy makers. The webinars are also supported by FIRELOGUE.
